NOTIFICATION of VEHICLE REGISTRATION

For PARKING PERMITS

All Vehicles parked overnight on Summerside Condominium property will need to display a registration sticker in the lower right-hand corner of the rear window in plain sight for security to see. All vehicles must be legally registered.

Each unit will receive **1** parking sticker for each **resident** who owns a legally registered vehicle. There is a **2** sticker **maximum** per unit.

If a 3rd sticker is needed for a 3rd full time resident, who owns a legally registered vehicle, a separate request must be made by the **owner** of the unit. The request will be evaluated by the Summerside Association Board on a case by case basis.

Commercial Vehicles are not to be parked on property overnight. Vehicles that serve a dual purpose of personal use and commercial use are allowed if they do not exceed the 2 sticker maximum per unit.

Any vehicle discovered without a parking sticker or a parking sticker not registered to that specific vehicle will be given a warning notification the 1st night. On the 2nd night, the vehicle will be towed at the **owner's expense**.

A registration form will be mail to every **OWNER** of each unit. All leasers are responsible to forward or complete the parking permit registration form for your leasers. Be aware that make, model, color, license plate number, vehicle owner's name, E-mail address for owner / leasers and phone # will be required for each parking sticker request to be accepted.

Thank you for your necessary cooperation.
