

Dear Summerside tenants,

External building construction is beginning. Pressure washing, sealing, and miscellaneous repairs are taking place to all residential buildings. This in preparation for painting that will follow immediately.

Please keep all external areas clear of any personal belongings that could be damaged in this process. If you neglect to move or cover belongings neither Summerside Association or maintenance will be held responsible for damages to property.

For any questions or concerns please contact the property management company.

Thank you!

Maintenance
